Welcome

It is with great pleasure to announce the sale of Blake Austin College (“College”) to Brent L. Mills and Todd Q. Swanson. After twenty plus years in the industry, President Joanie French-Reed conducted a nationwide search to find future owners with similar goals and aspirations for the College. Brent and Todd were chosen by Joanie to continue its excellence in education and move the college forward by adopting new programs and expanding campus locations and technologies. Changes designed to provide excellence in education, a dynamic learning environment and access to state-of-the-art technologies to move the College forward together towards a bright future. Going forward, we of course, thank Joanie for her vision and leadership in creating a wonderful College with a lasting legacy of learning.

In today’s competitive society, it is of the utmost importance that today’s workforce be well prepared with basic and practical skills, techniques, and knowledge which will help to ensure the future. This in turn will enable the individual to reach social and economic goals, thereby providing a greater sense of security. Blake Austin College’s primary emphasis is to keep pace with new technologies and advancements that occur rapidly in today’s business and educational areas.

BAC is committed to remain vigilant to the rapid changes and new developments in today’s world and offer education and training opportunities to individuals wishing to pursue career change or advancement.

We want all of our students to be able to “Learn Well. Live Well.”
